Change of the playing room in if need be, the time control 50 moves per 2 hours and 1 hour till the end of game.

Accommodation:

There are many pensions or bed and breakfast in Prague. Adjacent districts to Prague 1 are 2, 5, 6.

Check concrete address via [www.mapy.cz](http://www.mapy.cz). Hotel pricing starts at 15 EUR per person per night that is 30 EUR per room (single and double room price is almost the same). Double room with own WC and shower in pension for 40 EUR per night or 199 EUR per a week is very good price.
